Applications are available at the State Personnel Board, local offices of the Employment Development Department, and the location(s) noted on this bulletin.

If you meet the requirements stated on this bulletin, you may take this examination, which is competitive. Possession of the entrance requirements does not assure a place on the eligible list. Your performance in the examination described on the other side of this bulletin will be compared with the performance of the others who will take this test, and all competitors who pass will be ranked according to their scores.

The Department of Mental Health reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

Examination Locations: When a written test is part of the examination, it will be given in such places in California as the number of competitors and conditions warrant. Ordinarily oral interviews are scheduled at the spot location of the examination, however, locations of interviews may be extended as conditions warrant.

Eligible Lists: Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) subdivisional promotional, 2) departmental promotional, 3) multidepartmental promotional, 4) servicewide promotional, 5) departmental open, 6) open. When there are two lists of the same kind, the older must be used first. Eligible lists will expire in from one to four years unless otherwise stated on this bulletin.

Under certain circumstances other employees may be allowed to compete under provisions of Rules 234, 235, and 235.2. In appraising experience, more weight will be given to the breadth and recency of pertinent experience and evidence of the competitor's ability to accept and fulfill increasing responsibilities than to the length of her/his experience. Evaluation of a competitor's personal development will include consideration of her/his recognition of her/his training need; her/his plans for self-development; and the progress she/he has made in her/his efforts toward self-development.
